

- **FOURTH DELIVERABLE**

- Develop schedule
- Action items
 1. Documentation that at a minimum, one public meeting after the completion of the draft and prior to the Plan's approval were conducted to solicit formal comments on the Plan. In addition the Plan must document the community's efforts to solicit comments from those residents who did not attend the public meeting.
 2. The final revised Local Mitigation Strategy (LMS) ready for submission to FEMA for review and approval that fulfills all the requirements of local hazard mitigation plans. A FEMA/State Score Sheet and Crosswalk (Attachment E) with the page numbers of the appropriate sections of the LMS filled in next to each criterion must accompany the LMS.
- Fourth Deliverable due **DECEMBER 19, 2004**
